Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Friday 25 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Some rain overnight, though drier in eastern areas.

This Evening and Tonight:
A mixture of light rain and showers interspersed with dry spells this evening and overnight, and generally cloudy throughout, though drier and perhaps clearer in eastern areas. Mostly mild, with light winds for most, but breezy along northern coasts. Minimum temperature 8 deg C (46 deg F).

Saturday:
Sunny spells for many, but showers developing through the morning. Staying driest in eastern parts as showers progress westwards through the day. Some rain approaching from the south later. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
Cloudy on Sunday, with early rain turning heavy later, with risk of thunder. Further heavy rain Monday, more widespread with continued risk of thunder. Somewhat drier on Tuesday.
